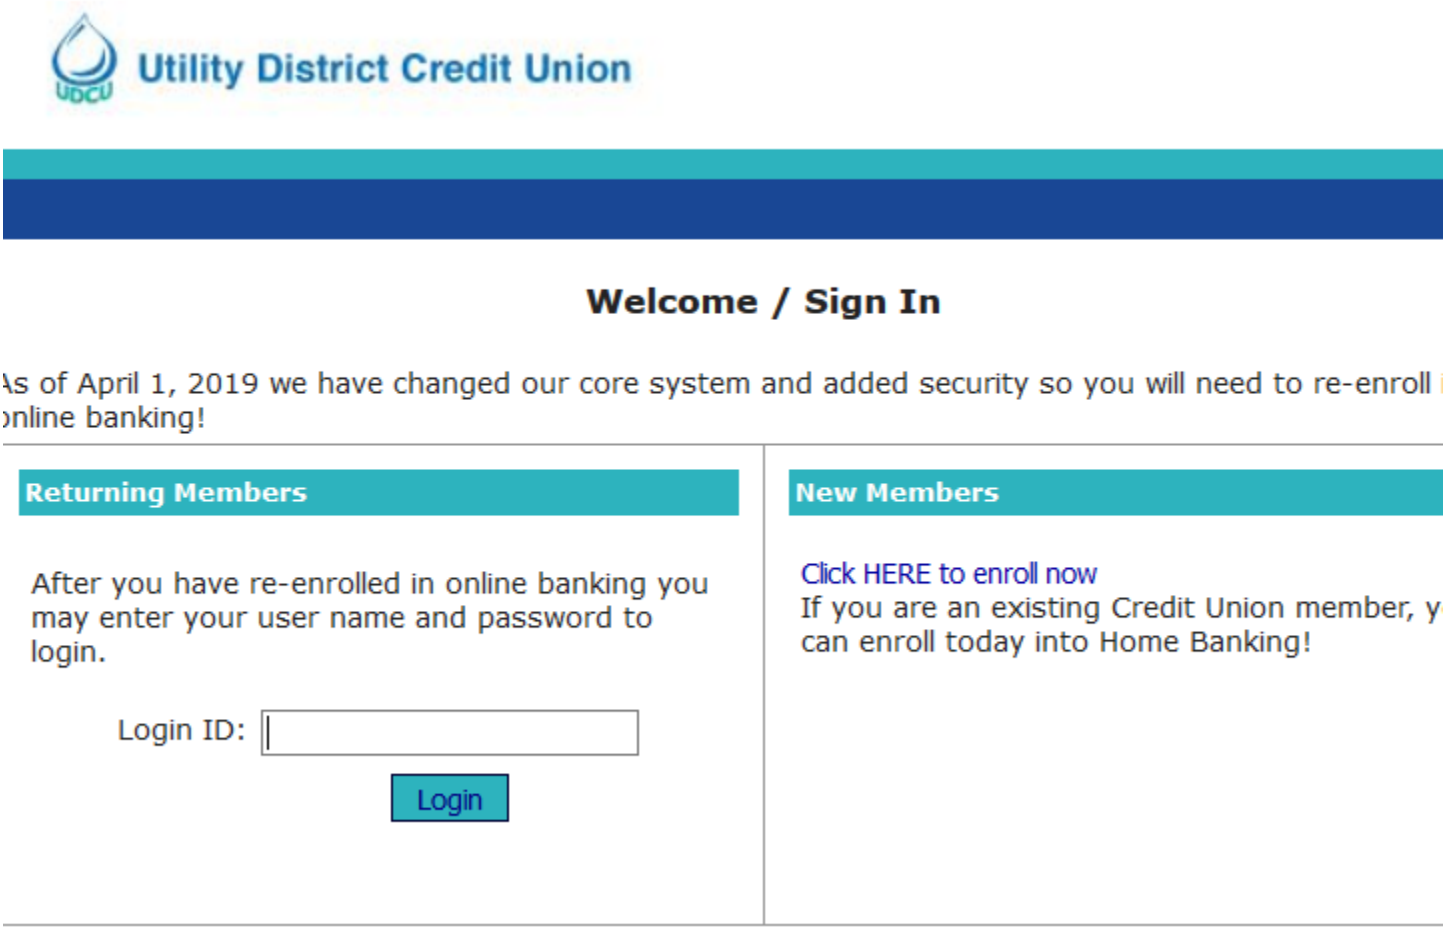
Welcome to the New Online Banking!

There are several new and exciting changes coming your way! One being the new Online Banking and you will need to re-enroll.

To get started, go to: https://www.shareteccu.com/udcu

Please select “Click HERE to enroll now”



Step 1: You will need your member number.

Step 2: Fill in the blanks with your **MEMBER NUMBER, SOCIAL SECURITY NUMBER, EMAIL, MAILING ZIP CODE AND HOME PHONE NUMBER**. Check the box if you agree to our *Home Banking Disclosure*, Sign Up!

Step 3: Keep a watch on your INBOX!

A temporary password will be sent to the email you just provided. Once you have received this password, follow the link "Click Here to Login"

Almost there!

Step 4: Select your Authentication Questions

Make these easy for YOU to remember. A lot of people keep the answers short, and in all lower case.

There is also a blank for your **CONFIDENCE WORD**. This is any word your heart desires. It will be a trigger word that will let you know, you are logging in to *your* account.

Select **Save**, and select *Click Here to Login* one more time.

You will use all the information you've gathered this far, you login ID, your questions, and your new confidence word. Now! You'll use the temporary password that was sent to you!

Step 5: Set up your own password!

Fill in the blanks with your login ID, the temporary password, and then change your password!

Select **Change** and your done!
